# Recharge

## Granular

**Active Ingredients:**  
Proprietary formulation of non-ionic surfactants on inert granular carrier

**NET CONTENTS**

**20-1000 KG**

### DIRECTIONS FOR USE

- Apply evenly using a calibrated fertiliser or granular spreader.
- For best performance, irrigate immediately after application with sufficient water to move the product into the soil profile.
- Avoid mowing or removing clippings immediately following application to ensure product retention.
- Do not apply to dry, hydrophobic soils without subsequent irrigation.
- Store product in a dry place and reseal packaging when not in use.

### RECOMMENDED RATES

#### TURF – LOCALISED DRY SPOT

Situation	Rate per 100 m <sup>2</sup>	Rate per hectare	Comments
Preventative application	2-2.5 kg	200-250 kg	Apply evenly and irrigate with at least 6-10 mm of water to activate. Repeat applications every 6-8 weeks during periods of high LDS risk.
Curative application	2.5-3 kg	250-300 kg	Apply evenly and irrigate immediately with at least 10-12 mm of water to ensure rapid penetration and rehydration of the soil profile. Repeat applications every 4-6 weeks until soil wetting is restored.

#### ORNAMENTAL BEDS & LANDSCAPED AREAS

Situation	Rate	Comments
Garden beds & landscaped areas	20-40 g per m <sup>2</sup>	Apply evenly to soil surface and water in thoroughly. Apply as required to maintain soil moisture uniformity.

### COMPATIBILITY

HydroForce® Recharge Granular may be applied in conjunction with fertilisers or other granular products provided uniform distribution is achieved. Do not blend unless prior testing has demonstrated physical compatibility and even spread characteristics.

### STORAGE AND DISPOSAL

Store in original packaging only. Keep in a cool, dry, and secure location away from moisture. Prevent spillage into waterways or drains. Dispose of empty bags in accordance with local regulations.

### PRECAUTIONARY INFORMATION

Avoid contact with eyes and prolonged contact with skin. Wear gloves and dust mask when handling to minimise exposure. Wash hands after use. In case of eye contact, flush immediately with plenty of water and seek medical attention if irritation persists. If swallowed, seek medical advice. Refer to the Safety Data Sheet (SDS) for further information.

**CONDITIONS OF SALE:** Indigo Specialty Products shall not be liable for any loss injury damage or death whether consequential or otherwise whatsoever or howsoever arising whether through negligence or otherwise in connection with the sale supply use or application of this product.
