**COMPATABILITY:** Formulated product pH = 6.5. Although it is compatible with a number of products, tank mix combinations with InTec C.E.C Xtra has not been tested on all varieties under all possible growing conditions. If the user is unsure a limited area should be tested and reasonable judgement and caution should be exercised. A jar test is recommended prior to broad scale use.

**STORAGE AND DISPOSAL:** Keep container tightly closed. Store in original container only. Keep away from open flame or intense heat. Triple rinse container, empty rinse water into spray tank. Dispose of empty containers in accordance with local regulations.

**PRECAUTIONARY INFORMATION:** Avoid contact with eyes and skin. Wear chemical resistant goggles and gloves. In case of contact flush eyes/skin with large amounts of water. If irritation persists, seek prompt medical attention. May be harmful if swallowed. Do not ingest. In case of ingestions Rinse mouth then drink plenty of water and seek medical attention. Refer to Safety Data Sheet for further information.

**CONDITIONS OF SALE:** ISP shall not be liable for any loss injury damage or death whether consequential or otherwise whatsoever or howsoever arising whether through negligence or otherwise in connection with the sale supply use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on ISP's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of ISP has any authority to add to or alter these conditions.
