Dispose of contents/container according to local regulations.

Emergency Number : Nutrite : 1 (800) 363-1330

DIRECTIONS FOR USE:

- Read the entire label before use.
- Apply only as directed during the growing season.
- Only use at recommended rates.
- Nutrite encourages responsible use of our products. Help do your part in protecting our rivers and lakes by following label indications and cleaning driveways and walkways after application. Do not apply to frozen ground.
- In order to ensure compatibility with pesticides and spray adjuvant, do a jar test prior to tank mixing. Use adequate volumes if adequate water quality is not possible, warm water will aid solubility.

STORAGE AND USE:

Store in a clean, dry place. Reseal opened bag by folding top down and securing. Do not leave unused product in sprayers.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY:

Buyer assumes all responsibility for safety and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond seller's control. In no case shall the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.

INSTRUCTIONS FOR USE
