50% Methydure + SOP + Micros

Professional turf fertilizer for greens and tees.
Micro greens grade (SGN 100)

Product Features

- 50% of the nitrogen is derived from Methydure® methylene urea
- Contains micronutrients in the sucrate form
- All the potassium is in the safer sulphate form

Turf Benefits

- Methydure® slow release nitrogen is a trusted technology that has a gradual, consistent release and longevity that allows for the effective feeding of turfgrass with fewer applications for up to 12 to 16 weeks
- Magnesium is crucial to healthy plant growth for the formation of chlorophyll and the storage of carbohydrates in the root system. Calcium makes the plant more tolerant of environmental stresses.
- Provides potassium for improved drought tolerance, greater disease resistance and improved wear tolerance.
- Micronutrients sucrate technology increases nutrient availability and uptake throughout the growing season while minimizing mower pick-up with the revolutionary dispersing granule technology

Product Characteristics

Product Code:	C602720KG
Product Type:	Greens Fertilizer
Particle Size:	SGN 100
Net Weight:	20 kg (44 lbs)
Bulk Density:	1393 kg/m ³ (87 lb/ft ³)

Guaranteed Analysis

		%
Nitrogen	(N)	6.0
3.5% Urea Nitrogen

Directions For Use

- Read the entire label before use.
- Apply only as directed during the growing season.
- Apply only to dry foliage.
- Apply after mowing to prevent particle pick-up by mowing equipment. To further reduce particle pick-up, do not collect clippings for one mowing after application.
- Nutrite encourages responsible use of our products. Help do your part in protecting our rivers and lakes by following label indications and cleaning driveways and walkways after application. Do not apply to frozen ground.

Notice

- Information concerning the raw materials composing this product can be obtained by writing to the Guarantor listed below and referring to the item number found on this container.
- Information regarding the contents & levels of metals in this product is on the internet at <http://www.aapfco.org/metals.htm>
- This product contains iron which may stain concrete and other surfaces. Product applied to these surfaces should be promptly removed by sweeping or blowing. DO NOT WASH OFF WITH WATER.
- This fertilizer contains manganese and should be used only as recommended. Product may be harmful if misused

Precautions

- KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not inhale. Fertilizer may cause irritation of eyes, nose, throat and skin. In case of contact with eyes, flush with plenty of water; get medical attention.

Storage and Use

- Store in a clean, dry place.
- Reseal opened bag by folding top down and securing.
- Use only clean, dry spreaders.
- Do not leave unused product in spreaders.

Notice to Buyer

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY:

Buyer assumes all responsibility for safety and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond seller's control. In no case shall the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.
