

CAMPEY™

Uni-Brush

Campey™ Uni-Brush Front Sweeper has been developed to fit tractors from 18 to 60 Hp. The compact design improves the handling to guarantee a fast and accurate work in any conditions. The Campey™ Uni-Brush Front Sweeper is equipped with roller brushes, suitable for snow removal, dirt and debris removal on driveways. Extremely versatile for any kind of work, the right tool for cleaning driveways, service areas, parking lots and yards, and snow removal. The gearbox, featuring fully hardened steel gears and ball bearings in oil bath enclosed in a cast-iron housing, and the double-chain secondary transmission reduce maintenance to a simple periodic check of the oil level and brush wear.

MODEL	TSPF4 1200	TSPF4 1500
Working width	1.20m	1.50m
Max width	1.31m	1.61m
