

## Court-Top 1200

The Court-Top utilises two rows of brushes with a levelling plate integrated in-between, the firmer bristles featured on the front row decompact infill. A levelling plate then removes undulations before the rear brush ensures the surface is left smooth and ready for play.

### Specifications

SKU	146.120.010
Working width (m)	1.2
Working width (inch)	47.3
