

## Dew Brush 6000

The Dew Brush 6000 is ideal for dew dispersal and striping for improved presentation. Brushing away the surface dew aids the drying of the turf, reducing the risk of disease. The Dew-Brush has floating wings to cope with surface undulations and folds for easy access and storage.

Specifications	
SKU	142.600.000
Working width (m)	6
Working width (inch)	237
Weight (kg)	58
Weight (lbs)	128
Min. Tractor HP required	18
Min. lifting capacity (kg)	100
