## Verti-Drain® 7621

The 7621 Verti-Drain features a heavy-duty gearbox & hydraulic depth control to allow for working depth changes on the move. It is well suited to the toughest of soil conditions, with a 210cm / 83" working width it has the ability to cover large areas with ease.

SKU         7621           Working width (m)         2.1           Working width (inch)         83           Max. Working depth (mm)         400           Max.
