

SPRAY STAR 300T

Smithco's unmatched line of spray equipment now includes a towable unit - delivering the precise spray application you know and trust.

• **AFFORDABLE**

A Spray Star 300T towable sprayer allows you to have the benefits of a Smithco sprayer at a budget you can afford.

• **ADAPTABLE**

Just hitch and go. With the 300T towable sprayer, you can seamlessly integrate the unit with your existing equipment. It's simple and easy to use, saving you time and money.

• **PRECISE**

Equipped with the most precise spray application in the industry, TeeJet's 8140 auto rate controller saves you time and money. Simply set your rate and target application.

• **EFFICIENT**

High-capacity spray tank means you get more work done in less time. Cover 6.4 acres/hour (2.6 hectares/hr) at 3.5 mph (5.6 kph). Less waste on the course adds more value to your budget.
